

This year our Summer Acts of Worship will explore our identity in Christ. There will be something for all ages and stages of life as we discover different aspects to being Jesus' disciples.

Do WATCH OUT because sometimes we will be gathering at different times as well as at different venues. As usual there will always be a more traditional service option as well as the opportunity to worship with our brothers and sisters at St Martin's and St John's. Check out our website (www.speldhurst.org/church) and posters in the church building for more details. Please do join us and bring your friends.
